

## **Proposed Changes to Traffic Order – Action Plan**

After consultation with the residents of Castleton during the Parish Council Extraordinary Meeting held on 25<sup>th</sup> August 2016 to discuss the above, the following Actions were agreed by your Parish Councillors:

1. **Letter** - the Parish Council (Councillor Fisher and Councillor Topping) are to write to Mike Ashworth at Derbyshire County Council notifying him of the reasons they are against these proposals and to request the date that a decision is made is deferred. A copy of this letter will be sent to Dean Collins, as suggested by Councillor Street. For the residents who also want to write to voice their concerns the address is as follows:-

Mike Ashworth  
Strategic Director – Economy, Transport and Communities  
Derbyshire County Council  
County Hall  
Matlock  
Derbyshire  
DE4 3AG  
Email: [mike.ashworth@derbyshire.gov.uk](mailto:mike.ashworth@derbyshire.gov.uk)

Dean Collins email: [dean.collins@derbyshire.gov.uk](mailto:dean.collins@derbyshire.gov.uk)

2. Councillor Moorhouse is going to look into comments made by Shadow Cabinet Member for Highways, Simon Spencer to see if anything useful to our cause can be lifted from them.
3. **Publicity** - Councillor Garrow will contact resident, Angela Darlington to discuss publicity and start work on this aspect of the campaign. He will also see what help can be gained through other leads. Councillor Jim Perkins has offered to help by approaching contacts he has at High Peak Radio and asking them to do an interview with Norman Fisher.
4. **Legal Response** – Councillor Garrow to liaise with Tony Ashton, Head of High Peak Borough Council.
5. **Meeting with Derbyshire County Council** – a meeting with DCC, asking them to provide their studies, evidence etc will be requested in the letter mentioned in point 1 above.
6. **Contact other Parish Councils** – the Parish Councillors will attend the Hope Valley meeting at the beginning of September where they will be able to discuss these issues with other Parish Councils and gauge if there is support from them for working together.
7. **Updates** – regular updates will be posted on the village website.
