APM 03/05/17 Reports and Presentations:

A: The Chairman gave his Annual Report for 2016-17. He started by thanking his fellow councillors for all their hard work throughout the year. He then went on to thank the many volunteers in the village who maintain the planters and pick up the litter, who edit and produce the Peveril Post, the Parish Magazine and the Village website. He explained that although it looked at one time as though the village playing fields might cease to exist, due to the difficulty getting people to join the Playing Fields committee, a new committee has now been formed which will hopefully ensure the playing fields are available to the village for many years to come. Cllr. Fisher encouraged people to use local organisations including the Village Hall, Peveril Centre and the Post Office so they aren't lost. He then reported that the main item that has taken up the Parish Council's time has been DCC's proposed parking regulations which he summarised. He advised that the precept set had slightly reduced the Parish rate and requested that if anybody has any ideas on improving the village that they let the Parish Council have their suggestions.

B: The Clerk gave a brief summary of the year's expenditure. She then advised that the accounts had been inspected by the Internal Auditor and will be sent to Grant Thornton, the External Auditor within the next few days. They will be available to view from 26/06/17 to 06/08/17. Balances in the accounts on 31/03/17 are as follows:

Current Account - £ 7743.48
