

Councillors Initiative Fund

Your Borough Councillors, Charlotte Farrell and Joanna Collins, have a small funding pot from the Councillors Initiative Fund to give as grants to organisations within the Hope Valley ward.

As Green Councillors, we will favour initiatives which benefit the environment as well as local people. Projects which benefit more disadvantaged local people will also be looked on favourably.

If you would like to bid for a grant of up to £500 for your local organisation, you can read further guidance from High Peak Borough Council and download the form at <https://www.highpeak.gov.uk/article/576/Councillors-Initiative-Fund>.

Please contact us before you send your form to High Peak Borough Council – they will ask councillors to confirm that they support applications.
