During the ongoing COVID-19 pandemic,
if you or someone you know is:

- ▶ Affected by a life-limiting illness
- ▶ Affected by bereavement
- ▶ Feeling isolated or lonely

We're here to help

Blythe House Hospicecare provides free care and services to people across the High Peak and Hope Valley. Our compassionate and expert staff are on hand to provide COVID-secure:

- ▶ 24/7 palliative and end of life care for patients in their own home.
- ▶ Shopping and prescription deliveries; telephone chats; transport to/from medical appointments; walking pets.
- ▶ Counselling and bereavement sessions for adults and children (*referral criteria may apply*).
- ▶ Support after diagnosis, living with your condition, symptom management, planning for end of life care, changes to treatment plans, understanding the current healthcare system, isolation, confusion and loneliness, physical therapies, mental health and well-being.
